

Announcement of RMIT Vietnam Alumni Committee Board

RMIT Vietnam Alumni Committee Board

Attendees at the Third Thursday networking event on 16 April 2009 voted on six positions for the RMIT Vietnam Alumni Committee Board. The Board members volunteer their time to be representatives for RMIT Vietnam Alumni and will be working with the University to organize alumni activities.

MISSION STATEMENT

RMIT Vietnam Alumni Association is established to foster and nurture lifelong relationship between its members and the University. It aims to enable members to continue their *RMIT Vietnam way of life* after they graduate through a variety of meaningful and fun activities which help connect RMIT Vietnam alumni, community, students and international RMIT alumni networks. Underlying all these activities is the commitment to support the University's development.

PRESIDENT

Mr. Nguyen Mai Anh Tuan (George Nguyen)

Tuan graduated in 2004 with a Bachelor degree in Applied Science and has an MBA from Bolton University, UK. He has gained his management experience through being the Project Manager of Nortel Network (Canada), the Trade Marketing System Development Manager of BAT, as well as the National Ecommerce Manager of DHL. Currently, he is an entrepreneur of Karaoke VIP on Nguyen Dinh Chieu Street. In addition, Tuan is a lecturer for a BA Program and tutor for the MBA Program of Bolton University and VATC in Vietnam.

TREASURER

Ms. Nguyen Thi Bich Thuy

Thuy graduated in May 2006, majoring in Commerce. Currently, she is an Executive Secretary at Renesas Design Vietnam Co., Ltd., which is an R&D center specialized in developing and designing semiconductors.

"It's an honor for me to be trusted and elected for treasurer position. I love figure and accounting; beside that I used to work for Mizuho Corporate Bank so I hope I can do very well with this kind of jobs. I am happy to take over this position because I can contribute something to our alumni organization in Vietnam. I wish RMIT Vietnam Alumni will grow bigger and stronger in the near future"
