

# Appeal against a special consideration outcome – University Appeals Committee (UAC)

## Information sheet

### This form is to be completed by

Students who have received a **denied** outcome from a special consideration request and want to appeal against the decision to the University Appeals Committee (UAC).

### Submission requirements

In order to make this appeal submission you must:

- have received a **denied** special consideration outcome
- lodge this submission to ensure delivery to Vietnam (VN) Assessment Support no later than 10 working days from the date of the denied outcome (the appeal deadline).

*Appeal applications that don't meet all of the above submission requirements can't be accepted and will be deemed automatically ineligible for consideration.*

In order to protect University IT systems and the integrity of your appeal submission, the completed appeal form and documentary evidence will only be accepted by email in PDF and JPG formats. If you believe the circumstances of your appeal require submission in alternative formats, please contact VN Assessment Support for advice immediately.

**Note:** You can't appeal to the UAC against **granted**, **cancelled** or **withdrawn** special consideration outcomes. You may however, request a review of a **cancelled** outcome from the VN Assessment Support team (refer to *Assessment Processes* 4.8).

### What will happen next? Will I be granted a hearing of the UAC?

In lodging an appeal, you're requesting a hearing of the UAC to consider your appeal against a **denied** special consideration determination. Following receipt of a complete appeal submission, the UAC secretariat will invite the VN Assessment Support team to review your appeal submission together with the relevant special consideration application/s. This review may result in the granting of your request for special consideration.

If your request isn't granted, the Academic Registrar (or nominee) will, within 20 working days, decide whether your application satisfies the submission requirements and the ground/s of appeal you selected on page 2 of this form.

Where the eligibility criteria have been deemed:

- (a) to have been met – a hearing of the UAC will be arranged and we will advise you of the date and time accordingly
- (b) to not have been met – your request for a hearing will be denied and we will advise you accordingly. This communication will explain the reasons for the determination and also advise you of your right to seek an external review of the decision.

If your appeal relates to a request for an extension of time for submittable work (such as assignments, projects, essays, etc.), it is expected that you have submitted your work by the proposed submission date in your special consideration application or, where the date has not passed, will submit your work by that date while your appeal is under consideration.

### Communication

Your RMIT student email account will be used for correspondence related to your appeal. If you are no longer a current student, your registered personal email account will be used.
