# Create Your StudyLink account

Cross Campus applications for RMIT University Australia must be submitted via StudyLink. In order to submit your application, you must create a StudyLink account by clicking on **Register**.

The image is split into two main sections. The left section is a screenshot of the 'Welcome to RMIT University Application Service for:' page. It features a white header with the text 'Welcome to RMIT University Application Service for:' in black. Below this is a bulleted list of application types: English, VCE and Foundation Studies; International Vocational, Undergraduate and Postgraduate coursework studies; Higher Degree by Research: PhD or Research Masters; Study Abroad and Exchange; and Early Offer Program: for Australian Year 12 or IB local student applicants. At the bottom of this section, it says 'Other applicants should visit the RMIT [How to Apply](#) page.' At the very bottom are two red buttons: 'Register' and 'Login'. The right section is a photograph of a modern building with a distinctive, colorful, angular facade made of many small, triangular panels in shades of blue, orange, and yellow. The building is set against a clear blue sky and is surrounded by other city buildings and green trees. A red 'RMIT' sign is visible at the base of the building.
