Overview of CELRI

CELRI

Overview of CELRI

Established in August 1, 2022.

Merger of the Teaching and Learning Centre with the Learning Resource Centre.

CELRI - Specialised units

1
Library Unit
15 staff including 1 Vice-Director

2
Teaching & Learning Unit
3 staff including 1 Vice-Director

3
E-Learning Unit
3 staff

4
Program Development Unit
4 staff including 1 Vice-Director

Library Unit

Resource Management

Processing, arranging, storing and preserving learning materials. Establishing integrated retrieval systems.

User Services

Guiding readerson resource utilization. Providing access to learning materials.

Resource Acquisition

SupplementingVietnamese and foreign language materials for teaching and research needs.

Collaboration

Cooperatingwith other libraries and organizations. Exchanging resources and professional experience.

Teaching and Learning Unit

Faculty Development

Organizing forums and seminars on teaching and academic activities for lecturers

Teaching Methods

Training and consulting on teaching methods and learner assessment

Student Support

Training students on soft skills and study methods

Academic Activities

Organizing and facilitating student academic events

E-Learning Unit

Technology Training

Training teaching staff on IT application in teaching and AI in education

Video Development

Supporting academic units in creating educational video resources

LMS Management

Managing the Learning Management System for the university

Program Development Unit

Faculty Training

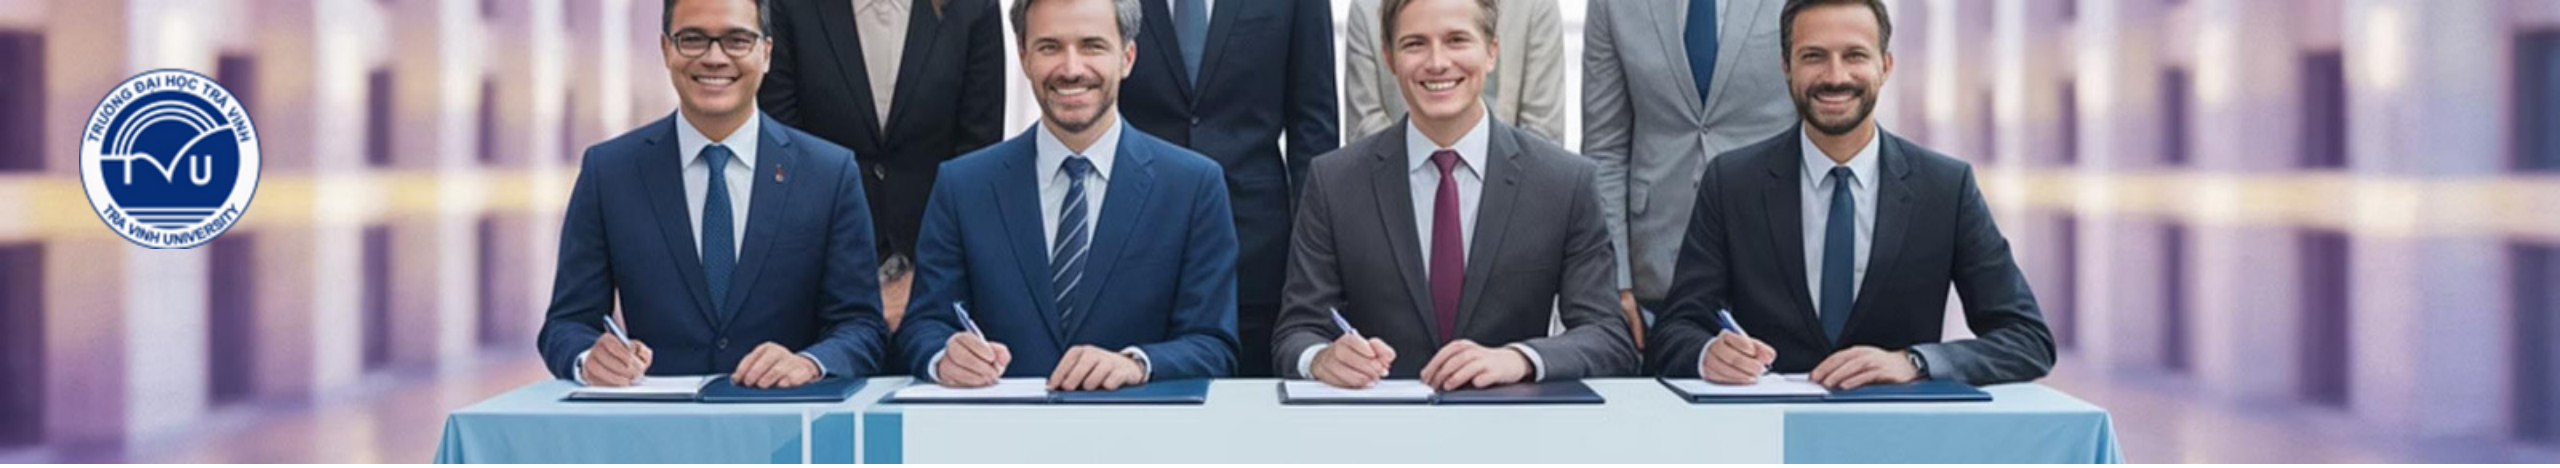
Providing training and supporting teaching staff on program development

Program Support

Managing and supporting training program development and Co-op training activities

Materials Development

Managing compilation an devaluation of textbooks and teaching materials



LIBRARY COLLABORATION

Vietnamese Partners

- Southern Academic Libraries Association
- Vietnamese-German University
- Other university's libraries (expected)

Philippines Partners

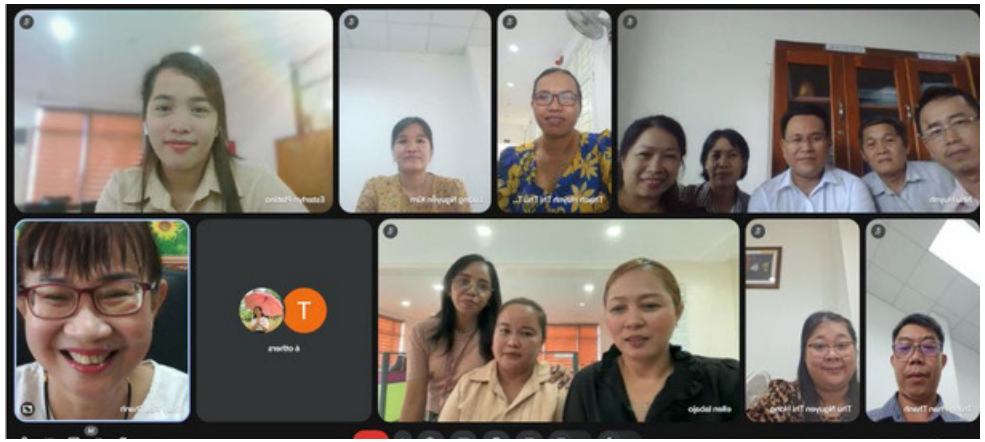
Central Philippine University

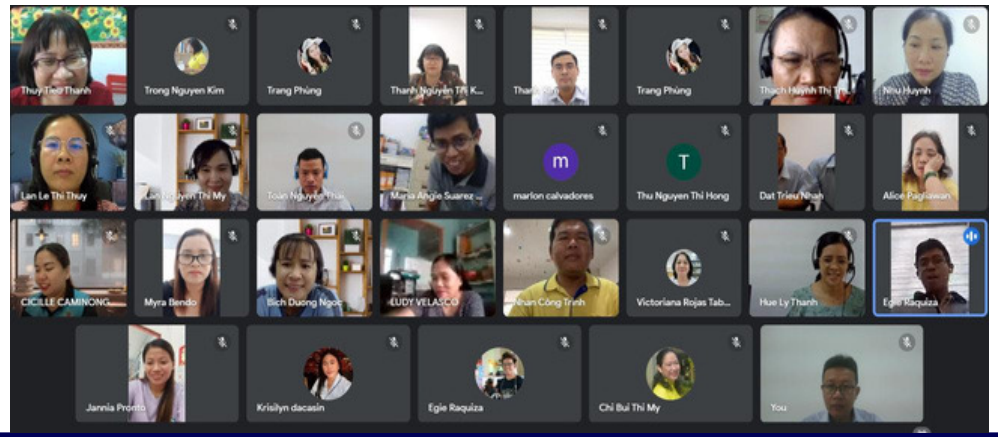
Southern Leyte State University

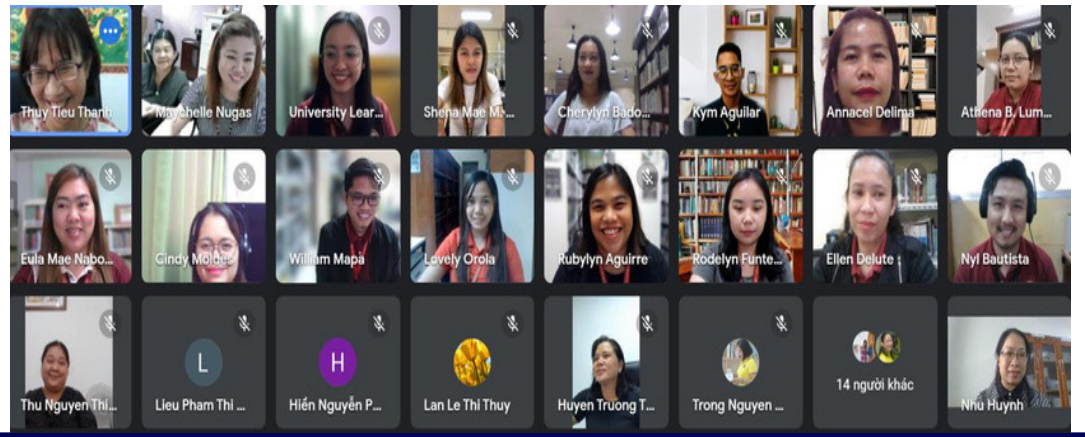
Samar State University University of Southeastern Philippines University of Eastern Philippines Palompon Institute of Technology

Library Collaboration

Online kick-off meetings with Philippines partners







PARTNERSHIP AGREEMENTS

Resource Sharing

Inter library lending, document delivery, publication exchange

Cross-Access

Faculty and students access partner libraries with valid ID

Staff Exchange

Professional development and research collaboration

HOPE FOR TOMORROW

RESEARCH COLLABORATION

Space Impact Study

Comparing library design effects on learning satisfaction in Vietnam and the Philippines

Resource Utilization

Functions, challenges and usage patterns at two Asian universities

Cataloging Challenges

Issues behind organizing and maintaining library resources

Key Lessons Learned from Library Collaboration

- Effective communication is the foundation of successful collaboration
- Cultural understanding strengthens collaboration
- Capacity building benefits all parties
- Collaboration requires flexibility and adaptability
- Challenges are opportunities for learning
